Subject: Tesla v. Tripp - Tripp's Social Media Postings

Will and Robert,

It has come to our attention that Martin Tripp has resumed posting on social media, including on Twitter and YouTube, about *Tesla, Inc. v. Martin Tripp*, Case No. 3:18-cv-00296-LRH-CBC. Among his posts there was a link to a Google Drive folder with case documents. For example, in the last fifteen minutes, he posted the transcript and video of Sean Gauthier's deposition, which had been marked confidential.

Can you confirm whether you still represent Mr. Tripp? If so, we request that he be directed to immediately take down all case materials and Tesla confidential information from Twitter, YouTube, Google Drive, and any other location that he is making it publicly available.

Regards,  
Jeanine

Isn't this harassment? Do you represent anyone in this case? Let everyone do their job
